WORK EXPERIENCE

Fuvay Technologies Pvt. Ltd 2022- PRESENT
Senior Frontend Developer

- Developed and maintained user-friendly web applications using HTML, CSS, and JavaScript, enhancing overall user experience and engagement.
- Implemented responsive designs with React to ensure seamless functionality across various devices and screen sizes, improving mobile traffic by 30%.
- Collaborated closely with UI/UX designers to translate wireframes and prototypes into high-quality code, resulting in a 20% increase in user satisfaction scores.
- Optimized web applications for performance and speed, achieving a 40% reduction in load times through code splitting and lazy loading techniques.
- Participated in code reviews and contributed to team knowledge-sharing sessions, fostering a culture of continuous improvement and collaboration.

Ellocent Labs IT Solutions Pvt. Ltd. 2014 - 2018
Junior Frontend Developer

- Contributed to the development of interactive web applications using HTML5, CSS3, and JavaScript, enhancing the user experience through engaging features.
- Assisted in migrating legacy applications to a modern React framework, improving maintainability and scalability.
- Implemented accessibility best practices to improve usability for all users, achieving compliance with WCAG standards.
- Created detailed documentation for components and workflows, aiding team members in understanding project structures and enhancing onboarding processes.
