WORK EXPERIENCE

Fuvay Technologies Pvt. Ltd
Senior Web Designer

2021- PRESENT

- Lead the design and development of responsive websites using HTML, CSS, and JavaScript, improving user engagement by 30%.
- Collaborated with cross-functional teams to create user-centric designs and enhance overall site functionality.
- Mentored junior designers, providing guidance on design best practices and tools, fostering a culture of continuous learning.
- Conducted usability testing and gathered user feedback to refine designs, ensuring alignment with client goals and user needs.
- Integrated RESTful APIs to facilitate real-time data updates and enhance application functionality.
- Implemented design systems and style guides to maintain consistency across projects.
- Participated in agile development processes, contributing to sprint planning and daily stand-ups for effective project management.

Growbiz Solutions
Junior Frontend Developer

2020- 2021

- Assisted in developing user-friendly web applications using HTML, CSS, and JavaScript, gaining hands-on experience in frontend development.
- Created wireframes and mockups to visualize design concepts, collaborating closely with senior designers for feedback and improvements.
- Worked with React.js to build interactive components and improve the overall user interface, enhancing usability and responsiveness.
- Optimized existing websites for performance and accessibility, enhancing user experience and engagement.
- Gained experience in using design tools such as Adobe Photoshop and Illustrator for creating visual assets.
